Dear Sir:

Applicants' undersigned representative appreciates the courtesies extended by Examiner Ismael Negron during a telephone interview on February 15, 2008.

During the telephone conference, Applicants' representative and the Examiner discussed various cited references that are listed on two forms PTO-1449 accompanying Information Disclosure Statements respectively filed on November 10, 2003 and August 7, 2006 in the above-identified application. During prosecution, the Examiner had originally initialed these forms PTO-1449 indicating review and consideration of all references cited thereon. Later, upon mailing the Notice of Allowance on January 4, 2008, the Examiner attached to the Notice of Allowance additional copies of these same forms PTO-1449, with some of the listed references crossed-through and not initialed.

During the telephone conference on February 15, 2008, the Examiner explained that while he indeed did review and consider the crossed-through references, no dates for these references were indicated on the original forms PTO-1449. The Examiner recommended that Applicants'

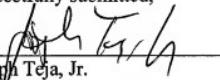

representative provide to the Examiner a new form PTO-1449 listing the references in question and appropriate dates for these references, so that the Examiner could initial the entries.

Accordingly, Applicants provide herewith the requested form PTO-1449.

If any questions arise in connection with this paper, the Examiner is respectfully requested to contact the undersigned representative.

Dated: March 21 2008

Respectfully submitted,

By
